

LET'S SPEND THE NIGHT TOGETHER

(Jagger/Richard)

(Bas)

Bam a la ma, ba ba ba da da
Bam a la ma, ba ba ba da da
Bam a la ma ba ba
Bam a la ma, ba ba ba da da

Aaaa aaa
Bam a la ma, ba ba ba da da
Aaaaaaaa aaa
Bam a la ma, ba ba ba da da
Oooooo ooo
Don't getting tied
Oooo ooo
mouth's getting dry.

Let's spend the night together.
Now I need you more than ever.
Let's spend the night together
Bam a la ma, ba ba
Bam a la ma, ba ba ba da da

I feel so strong that I can't disguise, oh my
But I just can't apologize, oh my
don't hang me up
And don't let me down
We could have fun just
groovin' around around around around
My my my

Let's spend the night together.
Now I need you more than ever.
Let's spend the night together,

Let's spend the night together
Now I need you more than ever
Ooo ooo
Du du du du du du
You know I'm smiling, baby
You need some guidning, baby

I'm just deciding, baby, now

Let's spend the night together.

I need you more than ever

Let's spend the night together,

Bam a la ma, ba ba

Bam a la ma, ba ba ba da da

Oooo aaa

Let's spend the night together

Aaaa aaa

Let's spend the night together

Oooooooooooo ooo

every need,

Ooo oooo

satisfy me

Let's spend the night together.

Now I need you more than ever.

Let's spend the night together

Bam a la ma, ba ba

Let's spend the night together.

Now I need you more than ever.

Let's spend the night together now.
