altstämman

Oooooo ba ba oooooo ba ba oooooo

it's been coming for some time,

For some time

Oooooo ba ba oooooo ba ba oooooo

shining down like water.

Oooooo

I wanna know, have you ever seen the rain?

I wanna know, have you ever seen the rain?

Coming down on a sunny day?

Oooooo ba ba oooooo ba ba oooooo

been that way for all my time

all my time

Oooooo ba ba oooooo ba ba oooooo

I can't stop I wonder

Oooooo

I wanna know have you ever seen the rain

I wanna know have you ever seen the rain

Coming down on a sunny day?

Oooooo

I wanna know have you ever seen the rain

I wanna know have you ever seen the rain

I wanna know have you ever seen the rain

I wanna know have you ever seen the rain

Coming down on a sunny day?
