

Day after day  
Alt

I remember finding out about you  
Every day, my mind is all around you  
Every day lonely room  
Day after day  
Please make it soon I give my love to you  
Aaaaaaaaaa aaaaaaa aaaa

I remember holding you while you sleep  
Every day I feel the tears that you weep  
Every day, lonely gloom  
Day after day  
Please make it soon I give my love to you  
Aaaaaaaaaa aaaaaaa aaaa  
Do do do do do do do do do do do do do do  
Aaaaa  
Do do do do do do do do do do do do do do  
Aaaaaaa  
lonely room, day after day  
Please make it soon I give my love to you
